

Construction

Features:

- Camera Risers are built using our standard staging components and can be configured in a multitude of designs and heights to accommodate your needs.
- Camera Risers can also be custom built to your exact specifications.
- We offer our camera risers in any of our standard surface options, however, to eliminate static electricity, carpet is not recommended.
- Due to the sensitive nature of camera equipment in today's market, it is recommended that the operator and the camera are on separate risers.

Optional Equipment:

- Chairstops
- Guardrails
- Ladders
- Stairs

4' x 4' Camera Riser
